MyConsoleProject

Solution

MySolution · 1 project

- MyConsoleProject
 - Dependencies
 - .NETCoreApp 3.1
 - Imports
 - C# Program.cs
- Scratches and Consoles

```
1 using System;
2
3 namespace MyConsoleProject
4 {
5     class Program
6     {
7         static void Main(string[] args)
8         {
9             Console.WriteLine("Hello World!");
10        }
11    }
12 }
```

Run: MyConsoleProject

p3.1/MyConsoleProject.dll
Hello World!

Process finished with exit code 0.
